

HOUSE & GARDEN®

KITCHEN AND DINING AREA Suzanne, who co-founded The Rug Company with her husband Christopher, chose the brand's 'Berber' rug for this open-plan space. Muralist Timna Woollard painted trailing vines on the walls, having mixed a custom shade of pink for the background. Ochre's Arctic Pear Chandelier Ware hangs above the dining table. The rattan 'Teddy Lounge Chairs' and matching footstools by Viggo Boesen are from Foster & Gane.
